**RE: Trez Capital (Florida) Corporation v. Noroton Heights & Company, LLC, Case No.: 1:20-cv-9622-DLC-BCM**

Dear Judge Cote:

We represent plaintiff-counterclaim defendant Trez Capital (Florida) Corporation ("Trez"). On behalf of Trez and defendant-counterclaim plaintiff Noroton Heights & Company, LLC, we write to inform the Court that the parties have reached an agreement resolving the disputes raised in Trez's May 11, 2022 letter requesting a Rule 37.2 conference. ECF No. 72. We therefore believe that the telephone conference scheduled for tomorrow, May 13, 2022, at 3:00 p.m. is no longer necessary. Should the Court wish to discuss the issues raised in Trez's letter or any other matter, the parties are happy to appear for the conference as scheduled.

We are grateful to the Court for its time and its willingness to assist the parties in reaching a resolution.

Respectfully submitted,

/s/ Remy J. Stocks
